

WALHALLA CIVIC AUDITORIUM

The Walhalla Civic Auditorium is proud to announce the opening of the 2010/2011 season on Friday, September 17th. This will mark the 5th straight season *The Return* will open for us.

The captivating, fun, exciting spirit that became known as “*Beatlemania*” is alive again in *The Return* – the world’s most authentic and entertaining *Beatle* tribute band. *The Return* makes it possible for music fans from every generation to experience the same thrilling rush felt by fans who were fortunate enough to attend a *Beatles* concert in the early sixties. Tickets are only \$25 for what promises to be a great show in front of a packed house.

After this tremendous kickoff, we stay in the classic rock ‘n roll mode with *Nuthin Fancy*. This *Lynyrd Skynyrd* tribute band is a full 10 piece show led by front man Tommy Roxx, and incredible Ronnie Van Zant clone. Hall of Fame drummer Artimus Pyle who helped define the *Skynyrd* sound will be with the band that night. Tickets are only \$25 for this classic Southern Rock show.

But the Walhalla Civic Auditorium is much more than Rock ‘n Roll tribute bands. We have many of your favorites returning this season, including lyrical pianist Emile Pandolfi, Irish American superstar, Andy Cooney, the Glenn Miller Orchestra, the Springer Theatre of Georgia’s production of *A Closer Walk with Patsy Cline*, and the most exciting young acoustic band in the country, *Mountain Heart*.

In addition to these great shows, we have added a show featuring Rick Wade as Elvis and a Legends of Country star, who will perform as Tim McGraw. We are currently working on several other shows from cool jazz, to bringing in some of the original Rock ‘n Roll greats.

If these shows sound like fun to you, you will want to consider buying a 2010/2011 Season Ticket. This gives you entry into any 6 of our shows (excluding Lorrie Morgan) for \$100. Since most of our shows cost around \$25 this is a great deal. You can buy the ticket now, and redeem it for 6 different shows. You do not have to select the shows at the time of purchase.
